CRUISING THE LEGEND FOR THE CFD VOLUNTEERS

CHEYENNE, WY – The Cheyenne community can expect to see the CFD Volunteer Crisis Fund (VCF) on the Cruise the Nights schedule this August.

On the second Saturday of the month, the CFD VCF board and volunteers will join the community to raise funds for their nonprofit. You will be able to find the cars driving by up Warren Avenue and down Central Avenue, as well as gathering in the parking lot on 24th street, across from the State Capitol.

With the event beginning in 2020 and continuing into the 2022 summer, the CFD VCF is honored to be one of the nonprofits to be participating.

Follow the CFD VCF Facebook and Instagram page for more information.
