#### **TOSSING SHOES FOR A GOOD CAUSE**

CHEYENNE, WY – The CFD Volunteer Crisis Fund (VCF) Redneck Horseshoe Tournament is back again, this August 15.

The fall of 2020 created an opportunity to be creative for the board of directors, producing the first annual Redneck Horseshoe Tournament. With the popular vote of the CFD volunteers and board, it will be back again in 2021.

Attendees can expect live music for entertainment in addition to a day full of rounds of horseshoes. Cash prizes will be presented to winners of several levels. Food and beer will be available for participants to enjoy while playing and waiting for their round.

Follow the CFD VCF Facebook and Instagram page for more information on how to participate. Flyers will be posted in each of the committee houses with a QR code to sign up.
